

SECTION IV
PROPOSED SYSTEM

08/31/06

RFP OSI 2046 PROPOSED SYSTEM

INTRODUCTION

This section addresses the Proposed System for RFP OSI 2046.

This procurement seeks the services of a SFIS Maintenance and Operations (M & O) Contractor who shall provide SFIS processes, products, and services as described in RFP Section III, Current System; Section V, Administrative Requirements; and Section VI, Statement of Work. This procurement also seeks certain new services as described in Section V, Administrative Requirements; and Section VI, Statement of Work.
